## ARFF's Purpose

The purpose of the Animals aRe First Fund (ARFF) is to support to the San Bernardino County Animal Care & Control (ACC) Program. ARFF, which is a federally recognized 501 (c) 3 non-profit organization, is the **ONLY** non-profit group that supports ACC and it was created for this very purpose. Specifically, ARFF will strive to promote the spaying and neutering of animals, animal shelter adoptions and responsible pet ownership. In addition, ARFF will carry out other charitable activities that ACC is not permitted to conduct, such as fundraisers.
